

Setting up the server

The following details the steps of setting up mSupply from your organisation's mSupply Server

Note - the [mSupply Support Team](#) will complete these steps for you.

The following instructions are for your information only.

The following information will need to be provided:

- Store name
- The item master list to be attached to the store
- If you are converting an existing Facility (Customer) to now user mobile, then you also need the existing customer name that the store is being created for

- [1. Where to start](#)
- [2. Create Sync Site](#)
- [3. Create the Store](#)
- [4. Configuring the Store and Dispensing](#)
- [5. Setting up the Users to access the store](#)
- [6. Reviewing the setup](#)
- [7. Setting up the mSupply Mobile app dashboard](#)
